LOCAL & GENERAL NEWS.

The selection of Gimmers for supplying the place of the late Samuel Farmer, at Pringle, will take place at the Teesdale Agricultural Society's Show, Barnard Castle, on Wednesday, April 4th.

It is expected that a large number of Gimmers will be on view, and that the competition will be keen.

The Society has set aside a prize of £10 for the best exhibit, and a further £5 for the second best.

The prizes will be awarded to the farmers who have the most improved and healthy sheep, as judged by the society's judges.

In addition to the sheep show, there will be a horse show, a cattle show, and a horticultural exhibit.

The entrance fees for all exhibits will be £1, and the proceeds will be used to fund the prizes and other expenses of the show.

The Teesdale Agricultural Society has a long history of promoting agriculture in the Teesdale area, and this show is one of its most important events.

The society welcomes all farmers and breeders to participate in the show, and to enjoy the social and cultural events that will take place.

The show is open to the public and admission will be £2 for adults and £1 for children.

The show will take place from Wednesday, April 4th to Friday, April 6th, at the Teesdale Agricultural Society's grounds, in Barnard Castle.

We hope to see you there!
