# MEANS TEST IN DURHAN PUBLIC ASSISTANCE COMMITTE

The Durham County Palde Committee met in private so y consider the reply of the Ministry to their letter in reference in the that onless they conformed to que, Council in regard to the adminthe Means Test they would be surofficials from the Miniary, at the meeting, four hours alter it to It was aumunced that the Cordecided not to administer the Council in relation to the means inform the Minister of Labour The decision of the Committie was by a narrow majority of 20 in ;

An Interview,

A report of the rocent interofficials of the County County in the Ministry of Labour wes after antito the Press. In this it was inchairman of the Public Assistance tee, Mr G. W Bloomfield, it Ministry that the number of open in mining, which is the chief int. the county, had shown a progression for some time. There had bern a of 72,000 miners employed in 12 year the position was made worse by a that those who were engaged in the were rarely working a full ---present year would be even how third of the men at work had a wage of 6s, 641 per shift, plus int ance of 5s, per week and mainholders.

Mr Bloomfield also pointed of during the operation of the tu-Economy Order the County's loca of ture on outdoor relief paid out al lac. had increased by £2,3% per ton nearly £120,000 per annum More 0 the Council's economies were and by increased expenditure of the Assistance Committee. If the Million sisted in his present attitude must per would find a final refuge in r ance.

The Durham Committee claimed men injured in industry should in same generous treatment as man in war. They further contended that @ action should not be taken when with applications for transitions from men whose only fault was no could not obtain work although 0 keenly desirous of work of any

## Ministry Reply.

Sir Francis Flood, Permaned 5 Ministry of Labour, in his reply to the condition of the county. It seemed to be necessary to tr Public Assistance Committee that cants for transitional payment al to have any contractual right The Public Assistance Commilie quired to deal with an applicant sitional payment as though he v bodied person applying for polo ance. The Government could it" any different scale or practice
