Some of the best stories begin with a book token.

For young people, nothing makes such a rewarding and lasting gift as a really good book. And only a book token makes sure you give exactly the right choice. And what a choice at that!

Book tokens can be exchanged for any type of book, hardback or paperback, fact or fiction, at over 2,000 bookshops in the British Isles. They come in a wide choice of colourful greetings cards, at prices from only 23p up to £5 or more. It could also save you a small fortune on postage! So why not call in and see our selection.

Book tokens-the gift you can't get wrong.
