IN MEMORIAM

DOUGLAS—In memory of a dear brother, Geoffrey, died 28th April 1985—Always remembered by Arnold, Trevor, Malcolm and families.

DOUGLAS—Treasured memories of a dear husband and dad, Geoffrey, died 28th April 1985. Loved and sadly missed—Myra and Philip.

ELLIOTT—Edward. In loving memory of our dear father, who died 25th April 1968, aged 77 years. Remembrance is the golden chain that links us till we meet again—Remembered with love always by his son William, his daughter Ann, and all his family. God bless.

SCOTT—Irene. In loving memory of my very dear wife, who died 30th April 1986. Always in my thoughts—Eddie.

WATSON—G. W. (Doc). 1st May 1979. Times change many things but not the memory of this day.—Daughter Mary and son-in-law George.

WATSON—J. R. E. (Sonny), died 28th April 1985. Sadly missed but always remembered.—Loving wife Olga and family.

Birthday Remembrance HETHERINGTON—Margaret (late of Eggleston). No cards or celebrations on this your special day. 26th April, just a host of beautiful memories of the many birthdays shared with you. For memories are treasured things, they last from day to day. Never spent, never lent, and never taken away. The happiest years we ever knew were as a family complete with you. Reunited with our dear dad and granddad, Thomas Laurence, died 1st May 1953. His memory is a keepsake with which we will never part. God has him in his keeping and we have him in our hearts—Both sadly missed and remembered with love and respect by all their family.

SITUATIONS VACANT

Apprenticeships at Evenwood Engineering

The company manufactures fabrications using the latest computer technology and to support our expanding team, apprentices will be recruited in the disciplines of mechanical engineering, fabrication and electrical/electronic engineering

Candidates should possess or be expected to gain passes in GCSE's, at an acceptable level, in mathematics, physics, English and a craft subject related to engineering, and also show an aptitude for an engineering career

The apprenticeship is a fully recognised training within the EITB structure and candidates will undergo the first year in full-time training at South West Durham Training Association together with day release at the related technical college

For further information and application form apply in writing to: Mr G. Moss, Evenwood Engineering, Evenwood, Bishop Auckland, Co. Durham, DL14 9NJ

Clerk of Works

An exciting opportunity has arisen to gain valuable experience in the supervision of major civil engineering work in the Teesdale area. We are looking for an experienced Clerk of Works to assist the Resident Engineer in overseeing £2M worth of remedial work to a major reservoir for a period of approximately 9 months.

Work is likely to commence in June 1988 and will include large reinforced concrete structures, stone protection, and bridgeworks. Experience in the supervision of similar work would be an advantage. Conditions of service includes a 37 hour, 5 day week. However, the successful applicant will be required to work contractor's hours including some weekend working on an overtime basis. Salary will be in accordance with experience within the range £8 - £11K.

For further information and an application form contact: Judi Nealen, Personnel Assistant, Northumbrian Water, Northumbria House, Regent Centre, Gosforth, Newcastle upon Tyne, NE3 3PX.
